NOTES

- 1: Kawumu presidential demonstration farm originally occupied an area of 21.6 Acres. An Extension of 7.3 Acres was acquired to bring the total acreage of the scheme thus far, to 28.9 Acres. Of these total acreage, 16 acres is directly under cultivation, whereas, other farming practices such as animal husbandry, aquaculture, fungiculture and residential structures occupy the remainder of the land.
- 2: The acreage occupied by each crop is as summarized in the table of crops.
